

WELCOME TO

# Campbell's Club

MICAH PROJECTS INC

Campbell's club is a place where people who live in private level 3 hostels in Brisbane can connect with old friends, make new ones and have fun.

It is held each Thursday morning (except for public holidays) at Trinity Hall, 68 Hawthorne Street Woolloongabba, from 10am to 12midday.

There are a variety of activities from which you can choose.

We have staff and volunteers who can help you and who ensure that Campbell's Club is a safe, enjoyable place for everyone.

At Campbell's Club **you** get to choose what you want to do from the activities on the day (including not doing anything at all).

We are really happy for you to run any of the activities and will help you with this.

We love it when you make the decisions, so let us know what you want and take the lead.

There is a suggestion box and we think it's great when people give us suggestions and feedback (whether it's good or bad). If you don't want to write it down, you can always just tell us. We promise not to be cranky if it's not good feedback.

You don't have to pay anything to come to Campbell's Club and there is a free maxi taxi which provides transport to and from the club from most hostels.

You'll be home in time for lunch.

Morning tea is also provided free of charge (and is very nice!!).

The only rules at Campbell's Club are to treat everyone respectfully, no violence of any kind (that means no yelling or fighting) and to look after Trinity Hall.
