MICAH PROJECTS

Breaking Social Isolation
Building Community

We engage with people who are experiencing adversity due to poverty, homelessness, mental illness, domestic violence, trauma, disability and all forms of discrimination.

Micah Projects works to break down barriers that exclude people from housing, healthcare, employment, meaningful connections, and to give people a voice.

We assist and support each individual or family including children, to resolve crisis, break social isolation, have a home, access health and community services, and build community.

We are committed to providing services and opportunities in the community to create justice and respond to injustice.
